

Adventure Dental Dentistry and Orthodontics

Dear Adventure Dental Families,

At Adventure Dental, we take the health and well-being of all our patients and families very seriously. By, now, I'm sure you all are aware of the international efforts to slow the spread of the COVID-19. We have continued to take all precautions as more information became available to the general public to protect our patients.

Last night, the California Dental Association and Governor Newsom recommended that all dental offices close for the next two weeks. In an effort to help slow the spread of the virus, we are complying with the Governor's and CDA's recommendation. **Adventure Dental will be closed from March 17th-April 3rd.** If your child has an appointment, we will be in touch to notify you of the cancellation. This decision was not made lightly and we apologize for any inconvenience this may cause. We are aiming to "flatten the curve of COVID-19" by implementing this policy and remain committed to your child's dental care as well as their safety.

Sincerely,

The Doctors and Staff of Adventure Dental
